

TOMS

SINCE 2006
At TOMS, we are proud to wear our impact on our feet. Wear TOMS. Wear Good.

About The Project

In 2006, TOMS founder Blake Mycoskie introduced the One for One® model, which donates a pair of shoes to a child in need for every pair sold. This initiative not only provides footwear but also promotes health, education, and community development. Expanding beyond shoes, TOMS now includes eyewear and coffee, each supporting specific charitable causes like eye care and clean water. Through strategic partnerships, TOMS addresses the root causes of poverty, demonstrating that businesses can be both profitable and socially responsible, positively impacting millions worldwide.
